Before their release, all vehicles repaired by Tucson Auto Collision Center visit our Detail Department. It is here that each vehicle undergoes a thorough "Pink Ribbon Check List" inspection. Because Tucson Auto Collision Center cares about our customers, this final inspection has been implemented to help ensure the safety, reliability, and cleanliness of your vehicle.

### Pink Ribbon Check List

- Top Off Fluids
- Check Brake Lights/Turn Signals
- Steam Clean Engine
- Vacuum Interior/Trunk
- Wash Vehicle, Wheels and Tires
- Clean Dash and Windows
- Check Tire Pressure
